Pfullendorf

# Description and attractions of the Seepark

Beautiful walking paths, various playgrounds, a water adventure world for children and exciting excursion destinations attract guests and locals to the family-friendly park at the western entrance to the town of Pfullendorf all year round.

In summer, the bathing lake with beach volleyball, sunbathing lawn and children's bathing area offers fun in the cool water, in winter the ice tent guarantees safe ice skating for the whole family.

Whether it's fun and action wakeboarding in the water ski park, diving in the diving centre or (football) golfing on Germany's craziest adventure golf courses - there are plenty of highlights at Seepark Linzgau!
